

EBPP INNOVATION

With more and more government agencies realizing just how beneficial a bill payment and presentment (EBPP) solution can be, PayConcierge powered by InvoiceCloud is now available from Automated Merchant Systems, Inc. PayConcierge supports the complete billing and payment life cycle for our merchants.

ACCELERATE PAYMENTS

The PayConcierge suite provides the capabilities for one-time or recurring payments online, assisted CSR payments, IVR, mobile payments, electronic bill distribution, out-bound communications and electronic check conversion.

With email and text capability, your customers will always know where their bills and payments stand.

Key Benefits

- ✓ Customers pay how they want, when they want
- ✓ Self-service options let customers set their billing and payment preferences
- ✓ One time payments are quick because registration is not required
- ✓ Account creation makes automatic and recurring payments easy

MULTIPLE CHANNELS

WHAT WE DO

Realizing the strategic value of collaboration, AMS has participated in one of its most successful partnerships with InvoiceCloud Inc., a nationwide premier provider of trusted, secure e-payment technologies.
