## FOR OVER 40 YEARS AND IN OVER 30 STATES ACROSS THE NATION,

*Committed to the Main Streets of America.*

At Caselle we make your goals our goals by supporting them with human and financial resources. We learn about your community, allowing us to provide customized support and personalized software solutions. Ultimately, we work to empower you and your community.

For over 40 years and in over 30 states across the nation, Caselle has used its software to support and sustain over 1,300 communities. We look forward to doing the same for yours.

*"We love Caselle's Utility Management package. We can easily access customer information and history."*

**-J. Fritts, GOLD BEACH, OR**

*"Our auditors were very impressed, especially with the check reconciliation and the software's ability to export reports to Excel. Plus, the money we've saved allows us to make infrastructure improvements years ahead of schedule."*

**-F. Bueno, STURGIS, SD**

*"We were fed up with our old software, and Caselle has answered our prayers. They really understand our city's needs."*

**-F. DeWyss, ESSEXVILLE, MI**
