COMPANY OVERVIEW

Bronner Group, LLC (BRONNER) is a nationally recognized boutique professional services firm operating within the public sector. Its professionals are subject matter experts in a variety of functional areas throughout all government sectors.

Headquartered in Chicago, Illinois, the firm has 11 offices across the nation and is certified as a small, disadvantaged and woman-owned business enterprise in more than a dozen jurisdictions.

A wide range of consulting services are designed to enable governments to:

- Analyze, redesign, and streamline business processes;
- Leverage technology to improve operational efficiency and customer service;
- Increase levels of stakeholder responsiveness and service delivery;
- Develop and implement a long-term strategic planning framework;
- Establish optimal organizational design and cross-functional resource deployment; and, Improve accountability to citizens and other stakeholders.

BRONNER APPROACH

BRONNER's approach incorporates all major business components, organization, operations, technology, performance measurement, and accountability to create a framework that enables each government to improve performance and achieve its specific mission.

BRONNER analyzes best practice solutions from both public and private sectors, and develops strategies that ensure optimal alignment of each client's mission, vision, and service delivery structures.

STRATEGY

Government agencies face numerous strategic challenges. BRONNER provides a wide array of services designed to maximize public sector innovation, efficiency, and effectiveness.

TRANSFORMATION

As the environment changes, so do public sector agencies. BRONNER's transformation services support these activities to ensure that governments are organized to meet new challenges.

ACCOUNTABILITY

In the information age, performance management is a new challenge. BRONNER's legacy in public sector finance and auditing equips its consultants to help government prepare for and meet the new control environment.

BRONNER
