

# RECOVER LOSS OF USE & REVENUE

From Not-At-Fault Municipal Fleet Accidents

## Let ACM Help Regain Lost Revenue for Your Municipality Fleet Downtime

Municipalities come to Alternative Claims Management (ACM) when they want to maximize damage recovery from vehicle accidents, including Loss of Use/Revenue and Diminution of Value. Our clients value that ACM partners with them to gain full recovery from insurance companies, ensuring their vehicles are equitably repaired, fairly valued, and returned to service faster. Eligible fleet vehicles include: fire engines, police cars, ambulances, public works, utilities, buses, street sweepers, passenger vehicles used by planning staff, and more.
